"Storyboard" is a phrase that refers to the layout of your manga or comic. Each panel conveys a certain amount of information and will also contain your artwork. Don't worry about the illustration right now (unless of course, you can draw as well as write!).

A Beginners Guide to Making Anime

From marauding giants to magical girls, manga has some of the best stories in comics, but it can be a bit intimidating to the newcomer. The books run "backwards," and the conventions and visual "language" are different from American and European comics (although more and more non-Japanese creators a ...
