Which ASEAN economy has the most developed infrastructure?

ASEAN was preceded by an organisation formed on 31 July 1961 called the Association of Southeast Asia (ASA), a group consisting of Thailand, the Philippines, and the Federation of Malaya. ASEAN itself was created on 8 August 1967, when the foreign ministers of five countries: Indonesia, Malaysia, the Philippines, Singapore, and Thailand, signed the ASEAN Declaration.

How Many Countries Are in ASEAN?

The international competitiveness of industries has received much scholarly attention, but this research has tended to focus on Europe and North America. This column examines the competitiveness of industries in six Asian countries. Global value chain income is increasing in China, India, and Indonesia. And unlike workers in EU countries, workers in the Asian countries have

Competitiveness of the ASEAN Countries

Benefits of the ASEAN Economic Community - AEC - ASEAN UP

The contributors address the industrial competitiveness of ASEAN and analyse the role of MNEs against the background of the challenges of integration. They illustrate that regional integration will only be a success if ASEAN's linkages are broadened with global partners through negotiations of Free Trade Agreements.
