~~Harley rattle noise~~

Can any of the old harley guys give me some input here. One guy told me this type of noise is normal for this era machine. It does it worse when cold like here. Sometimes it completely goes away ...

~~Why is there a knocking noise in your Harley Davidson ...~~

Upper engine noise is always amplified when a windshield is installed on the bike. My 88 cu in 2004 Dyna Lowrider has some noise, but not excessive. I always thought sportsters had more upper end noise than the big twins, but that's just an opinion.

~~Strange Engine Noise When Hot 103 Motor | Harley Davidson ...~~

This is a video of my 2009 CVO Harley. It has a very unusual noise coming from the engine and has been making the noise for about four months without any real change. See the video for more ...

~~Harley Valve Train Noise - Capital Hosting~~

I have the same noise and it gets louder the hotter the motor gets and I took my primary cover off to replace my stador and I found something I did not want to see there was metal in my oil and the chain has been rubbing the inner primary housing and the clutch spring retainer ring was rubbing the primary cover at the durby cover I only have 14000 miles on bike I hope this is not your problem.

~~103 Motor Noise | Motorcycle Forum~~

How I solved my noisy valve train on my '92 Fatboy 1340 EVO engine. I have been chasing this problem for several months, and it was getting so my bike wasn't fun to ride anymore, as the engine noise seemed louder than my exhaust, especially when I have the windshield on, it tends to amplify all the sounds coming from the engine.

~~Odd engine noise, 110cid CVO Screaming Eagle Harley~~

2012 FLTRU Harley Davidson Twin Cam 103 ticking sound starts on cold start up (21,000 miles). It seems to go away after engine is warm. Bike still under warranty and dealer is suggesting carbon build up in head, wants to tear down engine.

~~Engine noise Tc 103 | Page 2 | Harley Davidson Forums~~

A friend's '11 Road Glide Ultra makes a chattering noise at speed, like valve noise when you're running bad gas. He uses premium, bike has about 11k on the odometer. H D dealer says there is nothing wrong. I test rode the same style bike at an event at our local dealer last year. It was a '12 with a 103 and had about 5k on the clock.

~~2015 Harley Davidson Road Glide ticking sound~~

A vehicle with a twin cam engine has one camshaft controlling the engine's inlet valve and a separate one operating the exhaust valve. Harley-Davidson (HD) motorcycles come equipped with these types of engines, and sometimes, riders report engine noise. These sounds can result from several possible causes.

~~Twin Cam Noise | Harley Davidson Forums~~

One of the really hard things to do with a Harley is ignore all the engine noise, rattles and vibrations. Harleys all vibrate, rattle, and have lifter noise. Had over 90,000 miles on my Ultra when I traded it for the Tri, the '09 Tri had 55,000 miles when traded for the Freewheeler. ALL had lifter noise of some sort.

Harley 103 Engine Noise

103 engine noise I have the exact same bike. Your noise sounds like mine did. Noise got steadily worse. Is not pinging noise. Changed whole exhaust system and dynoed. Finally local dealer heard it. It has been there now for over 2 months. They took off left side and all ok. Took off right side and all ok. Replaced front cylinder, piston and rings.
